SEPTEMBER 2026

**PARADE GROUND
SEC 17, CHANDIGARH**

Chefex India 2026, scheduled to be held in Chandigarh this September, is a premier B2B exhibition dedicated to the evolving ecosystem of catering, hospitality essentials, food processing and retail. Organized by PHDCCI, the show aims to bring together industry leaders, innovators, suppliers, institutional buyers, HoReCa professionals, food entrepreneurs, government bodies, and emerging brands under one dynamic platform.

Chefex India 2026 is designed to foster meaningful business connections, showcase cutting-edge products and solutions, and highlight trends shaping the future of food service and retail. With focused segments covering catering infrastructure, hospitality essentials and food processing solutions. The event seeks to create opportunities for sourcing, partnerships, knowledge exchange, and market expansion. It will serve as a strategic gateway for brands looking to strengthen their footprint in North India's rapidly growing food and hospitality market.

“Where Business, Innovation & Tradition Collide on a Culinary Platform”

WHY CHEFEX?

KEY GROWTH FACTORS FOR FOOD INDUSTRY

Commodity Hub: Punjab, Haryana & Chandigarh have opened up lucrative policies to setup food processing units.

Expanding hospitality and food & beverages consumption: India is the world's fastest-growing food & beverages consumption market.

Quick Commerce: Is becoming a popular method for purchasing food and beverage products.

Online Grocery Retail: Online grocery retail in India has experienced a CAGR of over 50% and is expected to reach \$12 billion by 2026.

Consumer Base: A consumer base of over 1.4 billion people is driving increased demand for branded food.

Dietary Trends: Dietary trends are shifting towards prioritizing product quality over cost.

Strengthening North India's F&B Supply Chain Ecosystem:

At Chefex India – Chandigarh, the focus is on North India's fast-growing Food & Beverage supply chain supporting hotels, caterers, and institutions. From premium hospitality to large-scale catering, the region is a major consumption hub. The event will showcase the complete F&B ecosystem from sourcing and cold chain to packaging and last-mile delivery bringing together suppliers, distributors, HoReCa buyers, and institutional decision-makers on one platform.
